

# Hunting History Aid Memoir

Use this document to list all your hunts, remember to include the 'Year' and 'Hunt' together on each line. You can have a maximum of 36 hunts listed and then 3 of your 'Most Memorable Hunts', here you can include a short description of what you remember about each hunt. Once complete, enter these onto the product order page online and order your bespoke hunting map! (refer to website for details on filling out this document).

*TIP: You may find it useful to first write down all of the information on the form, then type it into your word processor such as Word - then you can cut and paste it between Word and the online order form. To copy, highlight the text in Word and click keys Ctrl + c then go to the online order form. To paste your text, place your cursor into the relevant box on the online order form and Ctrl keys Ctrl + v*
